

# Trillion Buyer Terms

*Version v2.0 · Effective June 23, 2026*

These Buyer Terms apply in addition to the Terms of Service whenever you book capacity on Trillion.

---

## 1. Payment Obligations

- Pay confirmed bookings in full and on time per the Commercial Terms.
- Disputed amounts must be raised through the Platform dispute workflow.
- You are responsible for applicable sales or use taxes.

## 2. Conduct on Supplier Premises

Comply with Supplier's posted access rules, hours, security procedures and site safety requirements. Operate equipment only with competent personnel and do not modify or remove safety guards.

## 3. Cancellations & Refunds

Per §5.3 of the Marketplace Capacity Agreement (tiered refunds at >14 days, 7–14 days, <7 days). No-shows are non-refundable.

## 4. Intellectual Property of Outputs

IP created specifically for you in performance of a booking vests in you upon full payment, subject to a perpetual licence-back to the Supplier for internal reference.

## 5. Goods, Insurance & Risk

- You are responsible for the value and insurance of your own goods stored or processed at Supplier facilities, subject to any Supplier-provided coverage noted in the listing.
- Where pre-use inspection is offered you should conduct it; absence does not waive obvious-defect claims.

## 6. Anti-Circumvention Acknowledgement

You acknowledge the 24-month anti-circumvention window. Direct dealings with a Supplier introduced through Trillion remain subject to the 5% Platform Fee during that window.

## 7. Disputes

Disputes follow the three-step Dispute Resolution process: direct negotiation, Platform mediation, then binding arbitration. Raise issues promptly through the Platform so evidence can be preserved.
