

Trillion Supplier Terms

Version v2.0 · Effective June 23, 2026

These Supplier Terms apply in addition to the Terms of Service whenever you list capacity on Trillion.

1. Listing Accuracy

- Listings must accurately describe location, specifications, availability, pricing and access requirements.
- Photographs must depict the actual asset and be current within 12 months unless noted.
- You must update or remove listings when material details change.

2. Representations & Authorisations

You represent you have full right and authority to provide the listed capacity; that you hold all required permits, licences and certifications; that the capacity complies with applicable laws, codes and regulations; and that posted condition is accurate.

3. Insurance Disclosure

You will declare on each listing the insurance coverage you maintain (general liability, property and equipment coverage, as applicable) and the limits. You will keep declared insurance in force for the duration of any booking. Misrepresentation is a material breach.

4. Verification Cooperation

You agree to cooperate with Trillion's supplier verification process, which may include business registration, tax IDs, certificates of insurance and references. Tiers: Basic, Business Verified, Insurance Verified, Premium Verified.

5. Payouts

- Payouts are released net of the 5% Platform Fee.
- Standard release is within 7 business days of delivery confirmation or the end of the dispute window, whichever is later.
- You are responsible for all taxes on amounts received.

6. Removal & Suspension Rights

Trillion may remove listings or suspend supplier accounts for material breach, repeated complaints, safety concerns, regulatory issues, fraud, or attempted circumvention. Outstanding obligations survive.

7. Anti-Circumvention

You agree to the 24-month anti-circumvention window in §4 of the Marketplace Capacity Agreement and §6 of the Terms of Service.

8. Marketplace Conduct

- Respond to inquiries within a reasonable time.
- Honour confirmed bookings; do not double-book.
- Communicate cancellations, changes or issues through the Platform.
